

IN THE SPECIFICATION

On page 2, at line 11, please insert the following paragraphs:

Figure 4 is a front view of the bearing support bracket shown in Figure 3 without support plates.

Figure 5 is a front view of the bearing support bracket shown in Figure 4 with support plates.

Figure 6 is a top view of the bearing support bracket shown in Figure 5.

IN THE DRAWINGS

Applicant respectfully requests approval of the following drawing changes.

Figure 3 has been amended to comply with the specification. Specifically, Figure 3 has been amended to clearly illustrate the structure and relationship between the base plate 40, end plates 48 and 50, and support plates 54 and 62. No new matter has been added by the proposed drawing changes. Submitted herewith is a Replacement Sheet, which includes the above referenced changes to Figure 3. Upon approval of the drawing change, Applicant will submit replacement formal drawings incorporating the above-noted changes.

Figures 4-6 have been added to clarify the structure and the relationship of base plate 40, end plates 48 and 50, and support plates 54 and 62 as disclosed in Figure 3 and the specification. Specifically, Figure 4 illustrates the structure and the relationship between base plate 40 and end plates 48 and 50 which was previously hidden by support plates 54 and 62, Figure 5 illustrates the structure and the relationship between base plate 40 and end plates 48 and 50 with support plates 54 and 62 in position, and Figure 6 illustrates the structure and the relationship of base plate 40, end plates 48 and 50, and support plates 54 and 62. No new matter has been added by the proposed additional figures. Submitted herewith are two (2) additional replacement sheets which include the above referenced figures. Upon approval of the drawing change, Applicant will submit replacement formal drawings incorporating the above-noted changes.
